

A CALL FOR HELP!!!

We are grateful to God that all our monasteries have remained in one way or another as a Eucharistic Centre reaching out to all those who need prayer.

Each year all our monasteries have been saving up to help make the annual payments owed for the purchasing of the monastery at Saint Loup-sur-Aujon, France.

Due to the lockdown however, all our guesthouses have had to close, leaving our monasteries without their normal source of income.

To keep our Eucharistic mission open in France we need to raise €100,000 before February 2021.

We owe €400,000 in total. We ask your prayers that we can keep this monastery, so close to the birthplace of our Mother Foundress, open.

Yes! I would like to support your foundation in France and help pay off the remaining debt for the glory of the Sacred Heart of Jesus and to help further His Kingdom on earth!

Cheques can be made payable to Adorers of the Sacred Heart of Jesus and donations online by visiting our website at <https://www.tyburnconvent.org.uk/donations> (option 4 - Donation towards Tyburn France) or by clicking on adjacent Donate button.
