

TYBURN TALK

TYBURN CONVENT, 8 HYDE PARK PLACE, LONDON W2 2LJ ENGLAND 020 7723 7262 www.tyburnconvent.org.uk

With great joy we share with you the graces that our Saviour has poured upon us from the treasures flowing from His Divine Heart, Which reveals His love for His Father and His love for all mankind. Jesus, the only begotten Son of God, by His Passion, Death and Resurrection has restored to us the fullness of everlasting life, our ultimate goal, which He Himself leads us to. "I am the Way the Truth and the Life", says the Lord, "No one can come to the Father except through Me". (Jn.14:5)

Our annual prayer for Christian Unity took place this year on January 22nd and was presided over by our chaplain, Rev.Fr.Patrick Cope. Dr.Nicholas Sagovsky of the Church of England preached. He said that one of the main features of being a disciple of Christ is unity. Our Divine Master gave His own life for it and earnestly prayed for it. 'May they all be one, even as you, Father, are in me and I in you, so that the world may believe that you have sent me' (Jn.17:21).

March the 8th brought on a special blessing as finally the contract was signed for the purchase of the house where our Mother Foundress, The Servant of God, Mother Marie Adele Garnier was born. What a joy for our whole Congregation.

Another exciting day was on the 11th of March when one of our novices, Sr.M.Stella, made her Temporary Profession, a blessing for our religious family and also for the entire human family. On the 21st of March, one of our juniors made her Monastic Profession in our Monastère du Coeur Eucharistique de Jesus, France. In our Lenten journey we have been blessed with these two Professions, these two souls consecrated to God, who guided by God's grace have responded to their Divine calling, giving up everything for God's Love and abandoning themselves to the good pleasure of the Sacred Heart.

As the people of Israel were led through the desert to the promised land by Moses, we too are guided by Christ till we reach our Promised Land, the New Jerusalem, where we will meet our Creator face to face. Meanwhile on our earthly pilgrimage we continue to pray with the Psalmist, "You will show me the path of life, the fullness of joy in your presence. At your right hand happiness for ever." (Ps.15:11)

Devotion to our Mother Foundress is growing and many people come and pray at her tomb here and beg favours through her intercession.

The photo of this 2 month old Baby, Anna Grace Adele, is a gift from God through the intercession of our holy Mother Foundress. Her parents were unable to have a baby for 4 years, but 2 weeks after praying at Marie Adele's tomb, the parents were expecting their first child. Thanks be to God and Mother Foundress!

With our joyous Easter celebration we go forward to witness to the world the new life Christ has given us, and to offer to everyone the presence of God in our lives, history and in our world today with all its troubles.

"I am with you always to the end of time".

On the Solemnity of the Sacred Heart, Holy Mass will be offered for the intentions of all our friends and benefactors.

With our loving prayers for all of you and a big thank you for all your support.

May God bless you all.
